

# HOME REMEDIATION

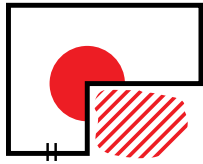

Where does your home have electronics and items that easily drain your energy?

If you could see energy, this is what it would really look like in this room.

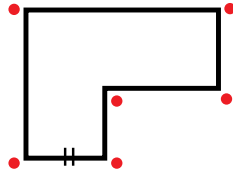

After vastu remediation, the room provides exclusive healing and positive energy which enhance life, health, wealth and happiness.

### An L Shaped Home

The red lines are in the 'cut out' which always has poor energy.

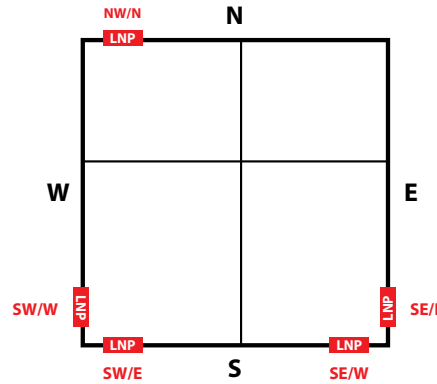

Use **★ PG Boulders ★** to ground the **cut out** so it provides healing and positive energy.

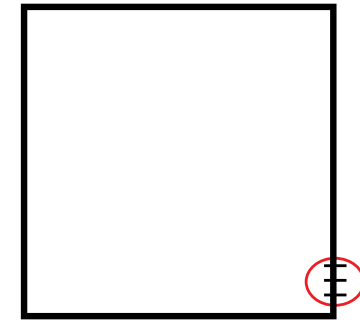

### Example #1

Remediation using **★**

### The Four Forbidden Door Positions

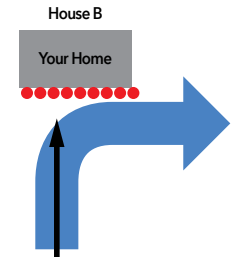

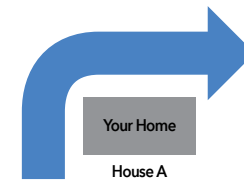

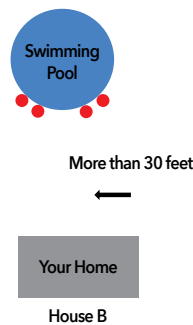

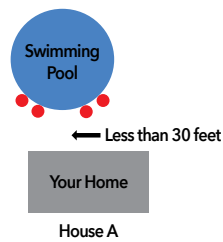

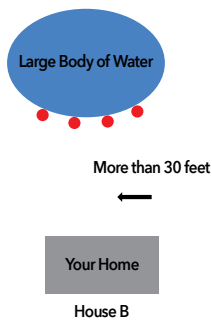

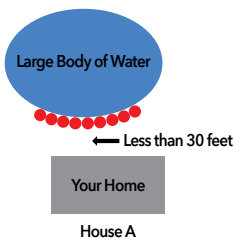

Drain your energy

### The Solution

1. Move the window or door to a new position
- OR
2. Place **★ PG Boulders ★** on each side of the doorway (outside on the ground)
- and
3. Use **LMP** on doorway on all 4 corners.

**★ = Pink Granite Mini boulders (•••)**

Place **★ PG Boulders ★** around water, curves of roads, cell towers, 5G towers and sides of hills/mountains, and power lines as shown in images above. Use more **★ PG Boulders ★** as you move closer to the home.
